FRE 502(d)**

I. RECITALS

By and through undersigned counsel, Mark D. Waldron, in his official capacity as the Chapter 11 Trustee in the above-captioned case, and Perkins Coie LLP (“Perkins”) stipulate and agree as follows:

1. Pursuant to this Court’s “Order Regarding Production of Documents Responsive to Rule 2004 Order and Placing Limits on the Use of Confidential Information in Such Documents,” dated August 13, 2020 (ECF No. 673), Perkins previously produced certain non-privileged documents requested by the Trustee.

2. The Trustee has requested that Perkins provide certain limited additional information and documents that are or may be attorney-client privileged.

3. Because the additional documents and information requested by the Trustee are attorney-client privileged, or may be subject to a claim of attorney-client privilege, Perkins is unwilling to produce or provide the documents and information sought by the Trustee absent an order of this Court pursuant to Federal Rule of Evidence 502(d) stating that the production of documents and/or provision of information by Perkins to the Trustee shall not constitute or result in a waiver of attorney-client privilege or any other potentially applicable privilege or protection from discovery, both as to any documents produced to the Trustee, and as to any other documents in Perkins' possession that are subject to a claim of privilege.

II. STIPULATION

4. The Trustee stipulates and agrees that the production and/or provision of additional documents and information by Perkins is not and shall not be a waiver of any otherwise applicable privilege or other protection from discovery, and that an order preserving such privilege or protection is appropriate.

5. The Trustee and Perkins stipulate and agree to the entry of an order pursuant to Fed. R. Evid. 502(d) stating that the production of documents and provision of information by Perkins in this matter does not waive any applicable privilege or protection. The proposed stipulated order will be uploaded to the Court's docket herewith.
